

2021 CORPORATE SPONSORSHIP FORM

The Shenandoah Valley Wrestling Club (SVWC) is a 501(c)(3) non-profit corporation governed by an elected board of directors. The SVWC is dedicated to promoting the sport of amateur wrestling in the Shenandoah Valley. We strive to provide the highest quality instruction and training environment, while promoting good sportsmanship and developing well rounded young athletes. We believe that wrestling teaches our athletes the importance of self-discipline, hard work ethic, education, self-confidence, and the ability to overcome adversity through determination and dedication.

With your financial support, your business will receive a tax-deductible letter of charitable contribution for your tax records. Your contribution will be used to continue to build a state-of-the-art training facility, provide team training equipment and out of town competition opportunities, and national caliber coaching and mentorship for wrestlers. We encourage you to talk with our Head Coach, Jeremy Whitmore, or any of our board members and coaches with any questions you may have.
