

Earned Opportunity Scholarship Application

SVWC offers a limited number of Earned Opportunity Scholarships each season to help dedicated athletes participate while encouraging commitment, responsibility, and service.

Scholarships are made possible through the generosity of our sponsors, fundraising efforts, and wrestling community. Recipients are expected to demonstrate commitment, good sportsmanship, and a willingness to contribute to the club while representing the values of the SVWC Standard.

Scholarship applications and information regarding a family's financial circumstances will be kept confidential and shared only with those involved in reviewing and administering the scholarship program.

Scholarship Recipient Expectations & Agreement

Being awarded an SVWC Earned Opportunity Scholarship is both an honor and a responsibility. Scholarship recipients are expected to represent the values of the SVWC Standard by demonstrating effort, respect, integrity, and a willingness to contribute to the club.

Scholarships are awarded for one season at a time. Recipients who need continued assistance should notify the Club Manager or a coach before the start of the next season. A new application must be completed at least once each year. Continued scholarship assistance is based on continued need, fulfillment of scholarship expectations, and available scholarship funds. Families are asked to notify the club if their need for financial assistance changes.

As a scholarship recipient, I, _____, understand and agree to:

- ☐ Attend practices regularly and communicate with a coach or the club manager when an absence is necessary.
- ☐ Wrestlers must have an active USAW membership. Limited folkstyle (basic) membership is suitable for most wrestlers. You can register at:
<https://www.usawmembership.com>
- ☐ Show respect, sportsmanship, and follow the SVWC Standard and all club rules.
- ☐ Participate in reasonable, age-appropriate opportunities to support the club, such as helping with setup or cleanup, club events, tournaments, or fundraising activities.
- ☐ Scholarship eligibility may be reviewed and, when appropriate, revoked for repeated unexcused absences, failure to meet scholarship expectations, misconduct, or behavior that does not align with club standards.

Parent Partnership

Parents are encouraged to volunteer and support the club whenever possible. A parent's inability to volunteer will not, by itself, affect an athlete's scholarship eligibility.

Acknowledgement

I confirm that the information provided is accurate to the best of my knowledge and understand that scholarship awards are limited and made at the discretion of the SVWC Board of Directors. I have reviewed and understand the scholarship expectations outlined above.
